Happy New Year folks, and as winter draws to a close and spring looks set upon the horizon, it's time to get out and about a bit more! But not if you've got your hands on this – because personally, I can't think of a better excuse to spend a quiet night in. Quite aside from the loveliness of Honour in full Valentine's swing, we've got so much talent lined up it makes my head spin. Nicole's got to have one of the most perfect bodies going – and it sure does go! – while Marina and Brett are undoubtedly the answer to any red-blooded man's dream. There's no space here to wax lyrical about all the other girls we've got for you this month, but then luckily a picture tells a thousand words, so you'll just have to have a flick through the mag and see what I mean. Throw in the filthiest tales around, and I think you'll agree we're on to a winner!

Dear The Lounge,

For some time now I have suspected that my wife Sally might be bi, but now that I know for sure I have to write and tell you how I found out, and how fantastic the finding out was!

She has had a close girlfriend for some years now and more recently I would come back from a night out with friends to find them both at home, perhaps sitting on the sofa looking a little sheepish when I walked in. Occasionally Julie would stay over, so I would come in to find them both asleep in our bed. One night last month I came home a bit later than usual not expecting Julie to be there and, keeping the light off so as not to wake Sally I quietly took off my clothes and slipped under the duvet. I cuddle into the body next to me and as I began to think that something was not quite right Julie's voice said, "Hello, so you want a cuddle, do you?"

I was so surprised, and so embarrassed because she and I were both naked, that I rolled away onto my back and said, "Oh my God, I'm so sorry!" She answered, "Oh please don't be sorry, we were talking about you earlier on and kind of wishing that you were here. So now you are I can give you the cuddle that you were looking for." With that she moved and lay on top of me with her legs outside mine.

Then Sally spoke: "So you found my friend? Well don't you think that you should give her

a kiss hello?" With that Julie gave me a gentle kiss on the lips, but then she didn't stop, but kept her lips on mine and began to gently explore around my mouth with her lips and the tip of her tongue. I stopped feeling quite so awkward and put my arms around her and responded to her kissing, which by now was beginning to make me stiffen.

"Is it nice kissing my friend?" Sally whispered quietly in my ear. "Yes!" I said between kisses. "Well then I think that you

"...Sally was no longer lying beside us I gasped as I felt the hot wet softness of her mouth around my erection."

should kiss her properly," she said, with which Julie opened her mouth over mine and we began to kiss more passionately. Julie moaned and flinched slightly as I felt something brush against my cock, and I realised that Sally had her hand between Julie's legs and was playing with her pussy. This made Julie kiss me even harder, and I began to rub her back and buttocks as I returned her passion.

Moments later I became conscious that Sally was no longer lying beside us I gasped as I felt the hot wet softness of her mouth around my erection. She softly swallowed as much of me as she could, and I was turned-on even more by the thought that her head was down between Julie's legs as well. As if Sally read my mind, I felt her mouth replaced by her hand and the sudden jerk of Julie's body told me that she was now being licked by my wife! As Julie and I continued to kiss each other with more and more passion, Sally licked, stroked and fingered us both and I slowly became aware that she was using my cock like a dildo on Julie, rubbing it up and down her – by now very moist – pussy and occasionally teasing the head inside her. Suddenly, when Sally was doing this Julie moved backwards and drove her pussy down onto my cock, so that I was deep inside her, and she let out a little gasp as she did and

dropped her head on my chest. "Oh my God that feels good!" she said. "Sally was right about your cock. Fuck me now. Please!"

I started to move inside her, and as I did I could still feel Sally licking my shaft as it went in and out and I knew that she was also licking Julie's pussy and arse. When I felt something pressing against my cock through the wall of Julie's pussy I knew that Sally also has her finger up her friend's arse. I found myself imagining looking down on us all as Julie responded to my thrusts by fucking herself hard on my cock. She was making little panting squeals as she did and madly kissing my neck, chest and nipples.

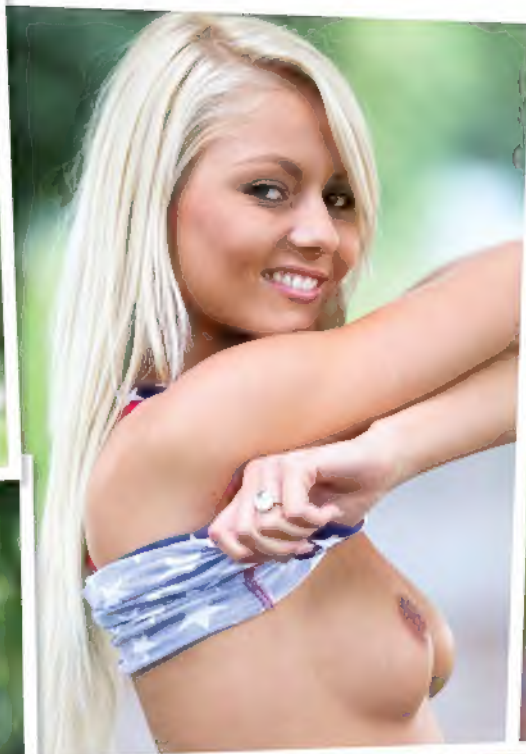

All of a sudden her breathing and rhythm changed and she let out a long gasp and smiled as she came, and collapsed satisfied on top of me. Sally came up and lay beside us and we all kissed each other, mixing our saliva with the smells and taste of sex. "Well I guess it's your turn now," said Julie. "Sally, come and help me suck this boy." Julie lifted herself off my cock and they moved down either side of me, kissing my body as they went. Then I felt two tongues licking my shaft and two pairs of hands pulled my legs slightly apart and then stroked my thighs and balls.

Their mouths then concentrated on the top of my cock, kissing it and then alternately taking it into their mouths, sometimes just the tip, and sometimes almost all of it. As they sensed me getting closer to coming they moved so that Julie could concentrate on finishing me off while Sally sucked and licked my balls. All my fantasies about Julie now came true as she moved her so soft lips up and down my cock and her soft hair stroked my belly. At last I could hold back no more and I bucked as I pumped the first jet of spunk into her mouth; still she kept sucking as came and she mumbled appreciative noises as she swallowed everything I produced.

"Oh my..." I started to say, but she quickly moved up and covered my mouth with hers as she gave me a deep kiss, so that I could taste my come in her mouth. Sally seeing her chance and realising that with excitement like this I was going to stay hard, saw her opportunity and eased herself onto my cock. Julie stopped kissing me and started kissing Sally as she lifted her leg over my head and lowered her pussy towards my lips... Oh my! Another fantasy... but then that's another story.

If Club were forced to give out just one 'Order Of Merit' award, then it would have to be for Marina Maya's damn near perfect pussy. Not that there's anything wrong with Marina's shapely and suckable boobs. And her bum's no slacker either. But when you see a

pussy like that you just know it's a class act. We asked Marina what she thought her best asset was, expecting her to come over all girlie and witter on about her personality. Know what?" she said. "My love hole." Blimey, these newbies are forthcoming nowadays!

TOTAL RECALL

Dear Total Recall, I found myself wondering what it must be like to work at Club with all those hot bodied women floating about? Especially if I cast my mind back to two ladies, in particular, that got together for a sapphic loaded set, where their tongues lapped in and out of each other like nobody was watching. You could say it was the stuff dreams are made of lusting over Danni and Janine from 32.09. What I wouldn't have given to have been a fly on the wall when you were shooting that. So without further nonsense from me, it would be a stiffening pleasure to see those two gorgeous ladies back in Club again, if you can find them... Ant, Northumberland.

TOTAL RECALL

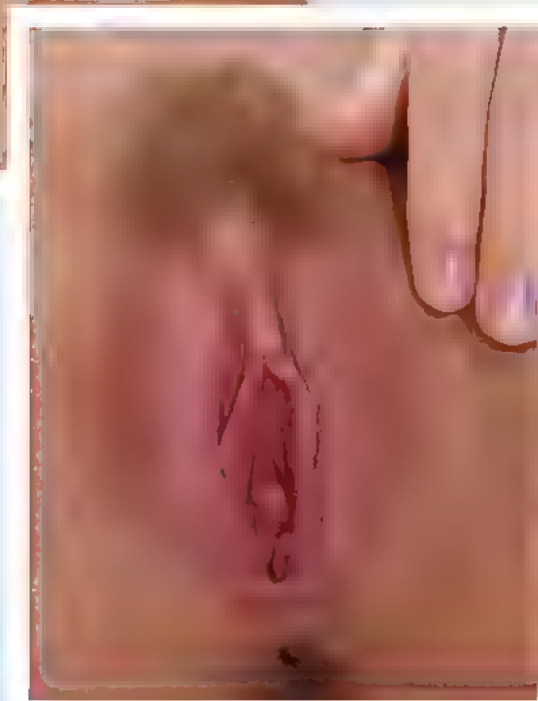

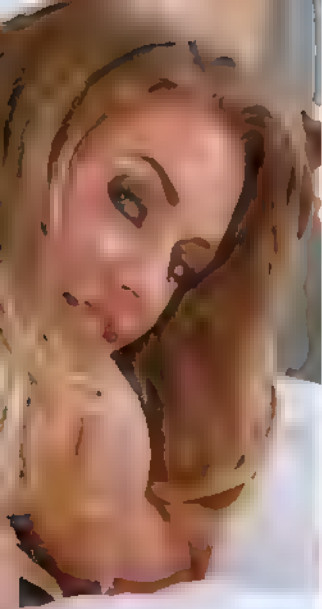

Have you heard the news? The Breast Wars are officially over, and Nicole Aniston has won! With a set of paps like hers, the rest of the competition might as well just pack up and go home. "I do love my boobs," confesses the smoking American. "One of my absolute favourite things

is playing with them and making my nipples rock hard. Do you know, they're so sensitive that I can almost make myself come simply by touching them?!" Which is great news by anybody's standards. No doubt the sight of Nicole playing with her exceptional breasts could make a few other people come as well.

Brett Rossi's the kind of women who stops traffic, and you definitely don't need to be told why. With the kind of figure that could only have been designed by a committee of extremely horny men, it's a wonder somebody's neck hasn't snapped clean in two whipping round to check out this heavenly body as it walks down the street. But the

lovely Brett seems remarkably unaffected by all this attention. "I suppose I'm just lucky to have been given this body, so why shouldn't I enjoy it? And let others enjoy it too? I like to make men happy, and if they get off on looking at me, then I have no problem with it. In fact quite the opposite." There should be more ladies like you about, Brett.

GoPro Hero 8 Black

www.very.co.uk

If one of your New Year's resolutions was to seek a bit more adventure in your life, then in true mode of fashion you might fancy something to capture those adventures. Well, I couldn't think of anything better than the latest GoPro, Hero 8 Black which has been beating off its competitors as if they were mere flies. With its sleek design and incredibly simple features, it's easy and comfortable

to use in a variety of conditions. It also gives you one of the best image stabilizers around, with excellent pre-set modes that provide you cracking results, that can then be edited, without fuss, in the post-production app. And did I mention the little chap is basically bombproof? And also has voice activation, 4K60 video, is waterproof to 10 meters and has Wi-Fi and Bluetooth. A fantastic piece of kit.

Amazon Echo Flex

www.amazon.co.uk

As the spaces in which we dwell seem to be becoming ever smaller, just think of the 'Coffin Homes' of China, even Netflix's *100* is on the action with a program called *Tiny House Nation*. So it makes perfect sense that Amazon would develop a compact Echo that plugs directly into your wall socket bringing the full functionality of Alexa AI to that smallest and most inaccessible parts of your home. It has an Aux-In and a USB 2.0 port so you won't lose plug-charging space and offers the same functions as the Echo Dot, but is also able to support add-on devices such as night lights and motion sensors from Amazon's partnership with Third Reality. The only downside is aesthetics; it's no looker that's for sure, resembling a Wi-Fi extender at best. But with a price tag like that, this feels like a no-brainer.

AudioEngine

D1 24-Bit DAC

www.amazon.co.uk

With vinyl still on the table, digital music is still in the shadows, but this tiny little device can help it take centre stage. The AudioEngine D1 works by pulling the audio processing away from your computer's motherboard and passing it through this little device to stop interference. This won't make much difference if you're listening to music via Spotify, but if your pushing tunes via your computer library then you'll notice a considerable difference in sound

quality. This mini beast accepts signal through USB, and optical connection which benefits from content speed of up to 192kHz/24-bit, whereas the USB is 92kHz/24-bit can be quite limiting. Works with both PC and Mac, without any extras, and delivers a well-balanced tone even against Tchaikovsky's 1812 Overture, which can be testing to even the most refined audio equipment. There's no doubt the D1 has bite, but it could be worth letting it take a chunk out of your wallet.

Boxing Beauties

Private

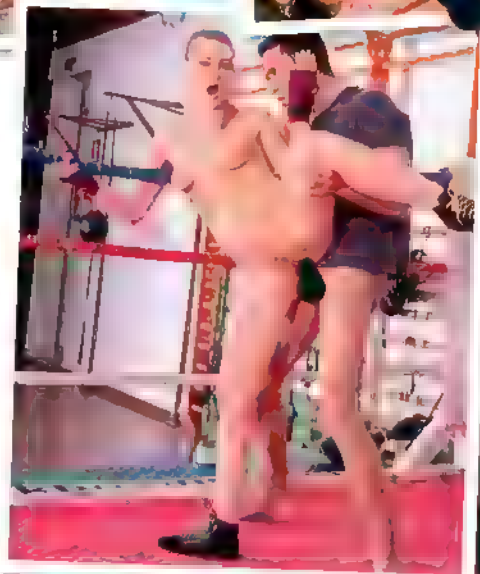

Starring: Lucy Heart, Baby Nicols, Hannah Vivienne, and Monica Brown.

Synopsis: "Come and discover the world of boxing in Private Gold, Boxing Beauties where the feisty Hannah Vivienne, Baby Nicols, Lucy Heart and debutant Monica Brown will duke it out and show their true colours for a shot at the title. Prepare for things to get vicious and of course, heated as these girls will not hesitate to go to any lengths to win. Whether it's a threesome with their trainers, DP with their coaches or just a good old fashioned fucking these horny competitors will do whatever it takes to reach their goals! So strap in for a wild ride and get ready to rumble in Private Gold, Boxing Beauties and find out who will win the ultimate Private championship title..." - Courtesy of Private

Verdict: Here are five scenes from director Xavi Rocka, that are ready to knock your block off, well, at least get you knocking one out. By the look of things, Lucy Heart has been training hard as the gorgeous piece sets out to compete in a championship fight, where she is crowned queen. But of course, her celebrations take a naughty turn with her trainer, Kai Taylor, as she shows him her gratitude with a sloppy blowjob, that quickly turns into a hard ramming and ends in a facial. Teen Monica Brown also gets her turn to shine twice as hard with a ringside double penetration. While Latino Baby Nicols and sparring partner Hannah Vivienne take their gloves off and dive into each other with their trainer Dorian del Isla. This is a heavyweight champion of a movie

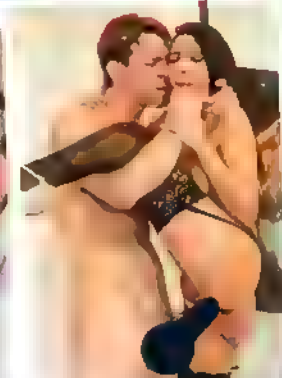

Vagatarians

Evil Angel

Starring: Autumn Falls, Eliza Ibarra, Emma Hix, Gianna Dior, Johnny Sins, Markus Dupree and Rob Piper.

Synopsis: "Vagatarians," master director Chris Streams serves up a raw, meaty menu of fresh, steaming twat. Heavily hung studs gorge themselves on all-natural, young beauties with desperately hungry pussies. It's an intimate spread of passionate, hardcore vaginal sex flavoured with oral treats. Wearing lingerie that exposes her incredible, natural, 32DD boobs, Latina teenager Autumn Falls mounts Johnny Sins' raging dick. He ravages her hairy snatch. Stunning Autumn takes a titty fuck and enjoys a messy cum facial. Dominant stud Markus Dupree manhandles

Italian/Native American goddess Gianna Dior. She gives a nasty, gagging, deepthroat blowjob. Markus fucks her face and cunt, and he finger-bangs her to a squirting climax! Slender Latina bikini girl Eliza Ibarra's mouth worships Johnny's big, long prick, which pounds her vag from behind. Eliza rides his meat, her big booty bouncing, and Johnny dumps a tasty load of semen into her mouth. Glamorous, slim blonde Emma Hix, in corset and sheer stockings, arranges an interracial date with Rob Piper. She gives his big black cock a luxurious blowjob. Rob ruthlessly plows the white girl's tight gash, and she happily swallows his sperm." Courtesy of Evil Angel

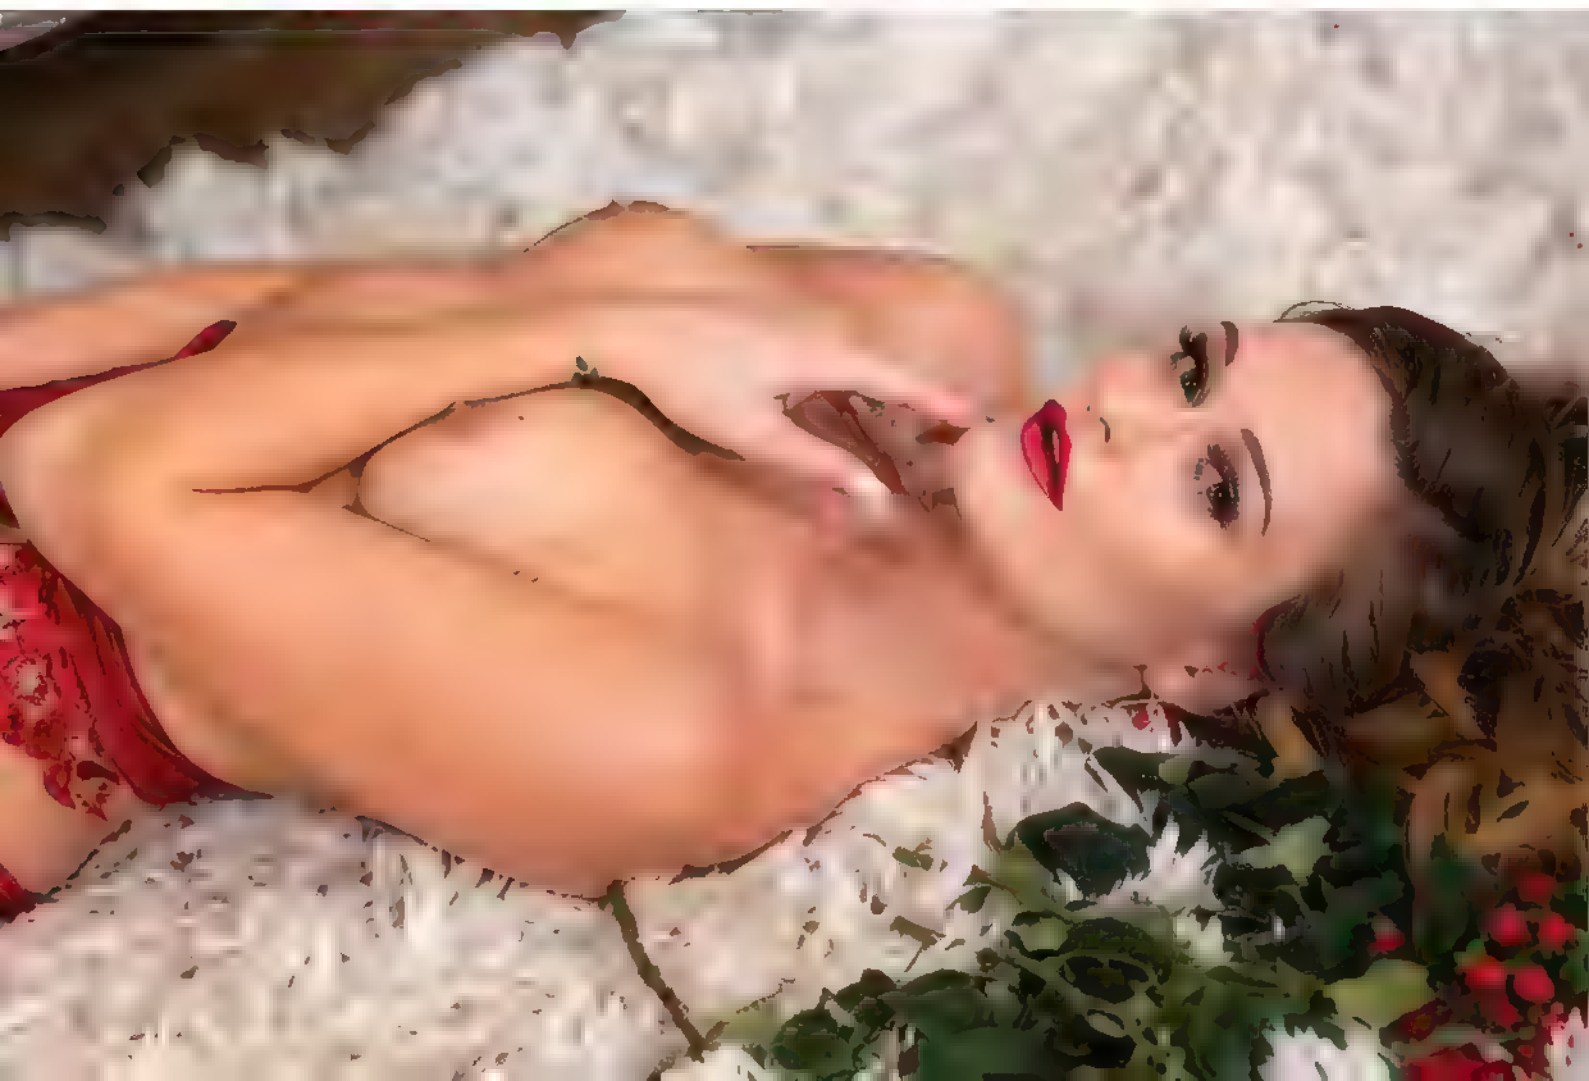

Verdict: This is one randy repairman, and he can't get enough of MILF Ava Koxxx and her massive knockers. But it looks like Freddie Flavas has taken his eye off the job as he is seduced by Ava prancing about in her lingerie. It's not long before Ava is on her knees slurping down Freddie's hard meat, as Freddie gears up to give Ava the pounding of a lifetime, and it's great to watch those tits bounce. Ella Hughes and Sienna Day who incidentally both feature in this month's Men Only, also lay smoking sex on with a trowel, with Sienna Day getting pricked twice and Ella showing us that it might just be redheads that have more fun.

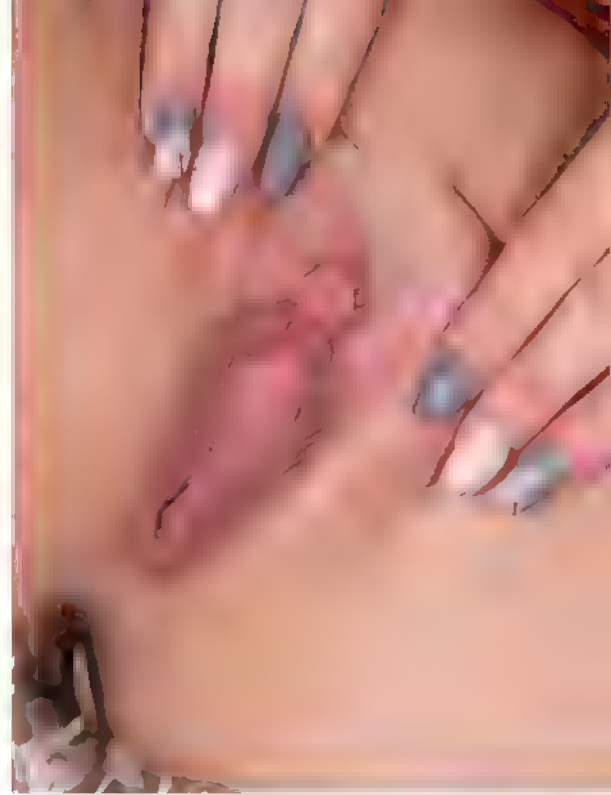

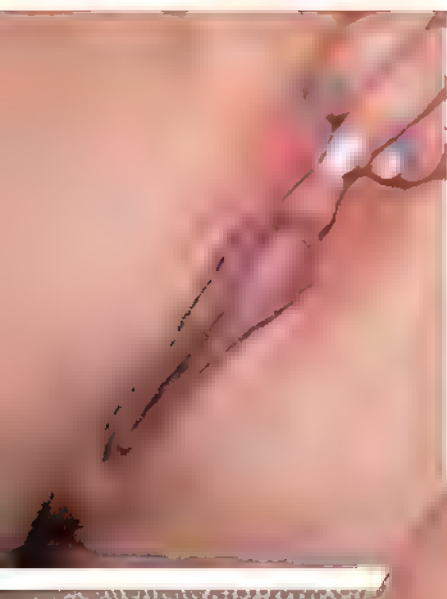

Cara Delevingne might be a supermodel, but she'll never turn us on the way Club's very own naked and naughty Honour May has this Valentine's Day. To boot this 24-year-old has quite the fan club building up in her home county of Cheshire. "I've been known to get a bit rowdy on the vodkas – and that usually ends up with me taking

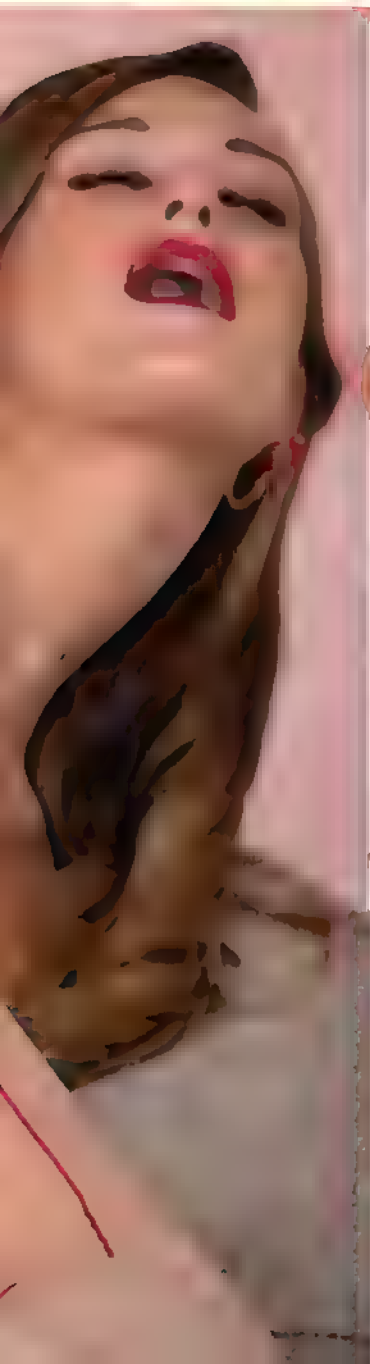

my top off! And sometimes my bottoms if I'm feeling really naughty. The blokes seem to love it." As indeed any red-blooded male would. But how do their girlfriends react to your impromptu flashing, Honour? "Some of them think it's hilarious, but there are a few who look like they want to kill me." Don't worry Honour. No-one will let that happen to you.

Darisha is one of those girls who's full of surprises. First impressions? Nice lass, quiet, bordering on shy, butter wouldn't melt, half a lager and then home for an early night, right? Wrong, wrong, wrong! The minute she got into the studio for our session Darisha couldn't wait to get her gear off and show us what she's got. We've never seen someone with such enthusiasm for her work. It was actually quite inspiring, especially when it turned out she had plenty to be proud of. Pretty much everything appeared to be in working order. And believe us, we're extremely rigorous when it comes to checking these things out.

Talkin' Blue

BIRTHDAY BLOW-OUT

I love to suck cock, it's my absolute favourite thing of all time. Whenever I go with a guy I always insist he blows his load in my mouth,

no matter how we've just fucked. I'm quite open about my enthusiasm for oral, all my friends – boys and girls – are well aware of it (quite often the guys will knock on my door late at night, just because they know they're guaranteed a blow-job) and this led to the birthday treat of my life.

I'd just turned 21 years old and was planning a night out with all my friends when Kathy called and invited me over to pick-up my birthday present. I told her to bring it out with her tonight but she insisted I had to come over to her place now, so I suspected she'd organised a surprise party for me.

I turned up expecting to see all my friend jump out on me but instead there were just four guys. They were rugby players from the college team and they were all pretty cute.

Kathy handed me a little box and I unwrapped it to find it contained knee-pads.

"Why don't you try them on, they're all yours?" she said, heading for the door. When I asked her what she meant, the guys suddenly stood and unbuttoned their jeans. Before I could ask anything else Kathy had gone and one of the guys told me they'd been promised blow-jobs if they agreed to have them together. They waxed their cocks hard as they spoke to me and after the initial surprise had worn off I was overcome with want.

"If that's what she promised, then that's what you'll get," I told them, slipping on the knee-pads and dropping down in between them. The guys crowded around me in a semi-circle as I took turns stroking and yanking on their lovely hot knobs. I pressed each to my face and gave their shafts a lick, sampling their deliciously salty tastes, then I took the first into my mouth and started to suck.

I drew on it hard, cramming as much as I

could into my mouth and gulping down my own saliva as I rubbed and stroked all around his shaft. He held my head and swayed backwards and forwards, driving his meat into my mouth again and again so that I was able to let go of his shaft and grab hold of two more cocks. I wanked these into my face as the guy in front fucked me in the mouth and I was totally lost to lust.

The forth guy peeled off my clothes as I worked his mates' cocks until I was totally bare-arsed naked in front of the guys save for my knee pads.

He knelt down behind me and pressed his cock against my bum, so I arched my back,

"I sucked ever-harder on the first guy's prick and he fed it into my mouth until his balls slapped against my chin..."

opened my legs to give him access to my pussy and I felt him slip inside me.

I sucked ever-harder on the first guy's prick and he fed it into my mouth until his balls slapped against my chin, then I felt his explode all over the back of my throat. Glob after glob of thick tangy semen streaked across my tongue and I drank it down just as fast as he could spend it. When he was done he moved aside and let the others in and I took turns sucking each of them off, alternating their cocks in my mouth as I pulled on them harder and harder. It was such a heady-feeling to be sucking on two pricks while I was fucked from behind and knew I would cum any second now.

As I fucked and sucked this trio of hard-ons I hungered to swallow all of their spunk to compare their flavours. This had been one of my all-time favourite fantasies (although in my fantasies I drank an entire team's jizz) and I couldn't believe I was doing it for real.

Suddenly the guy on my left spurted in my mouth and I milked his twitching cock for every last drop as I greedily gulped it down.

"Oh fuck," the guy on my right suddenly

gassed as I rhythmically yanked on his cock and I just managed to turn and catch his sperm in my mouth as he blew his load. He gave me a lovely generous drink and I swallowed the lot, sucking the dregs from his shrinking cock as my own orgasm swept over me.

I turned around and pushed the last guy onto his back and rode on top of him until he too started jerking against my warm innards. A great hot jet blasted inside my pussy and splashed all over me as I climbed off of him and pulled his cock into my mouth in my attempt to drink the cum of guy number four. He spilt the last of it onto my tongue and I swallowed it down, savouring the moment. The whole room smelt of sex and I was giddy with sleazy satisfaction.

That was the best gift I've ever received, but now it's coming up to Kathy's birthday and I'm determined to get her something as good. Any ideas? - *Simone, Manchester.*

BUNCH MUNCHING

Me and my friend, Jill, were checking out a few porno sites on the internet when we came across the strangest event notice "Amateur lesbian party looking for fun seekers" it said. We read on and found that some girls up North threw a party once a month for lesbians only. The notice ended, "no charge, though attendees must be open-minded".

without further ado, let's get down to it," she said then unhooked the straps on her dress and let it fall to the floor so that she was completely naked. She stepped forward and gave one of the others a kiss and the two of them started cavorting on the floor. Everyone gathered around to watch, then all around us girls started pairing off and stripping naked with hardly a word passing between them.

I looked at Jill in disbelief, and she looked just as stunned as me.

Next to me a redhead pressed her body to mine and rubbed my crotch with her fingers.

"We should go to that," Jill suggested, making me double-take. Neither of us were lesbians or, as far as I was aware, had any bi-sexual experience. "No, we'll just pretend," Jill said. "Go along and check it out just to see what it's like and if anyone tries it on with us we'll just tell them we're a couple and sneak off." Jill was always proposing silly stuff like this, but it usually turned out to be a laugh, so we signed up and two weeks later found ourselves standing in a plush home

surrounded by two dozen girls in some of the hottest outfits.

"Look at these girls. Feel tempted?" Jill sniggered

"Behave," I told her, then asked, "I wonder what happens now."

An hour (and rather a lot of drinks) later the organiser got everyone's attention and welcomed us all to the fifth staging of this event. She made a little speech for the benefit on newcomers and ended it, "so

asked. I told her I was already with someone but when I turned around, I saw Jill on the floor with some blonde's head between her legs. Jill's eyes were screwed closed, but she was gasping and stroking the blonde's hair and peeling off her dress.

"Well, how about it?" the redhead asked, reaching up my skirt and stroking my mound. I didn't know what to do but bizarrely it felt weirder to run than to get down amongst this heaving mass of bodies and fucking a girl, so

“Jill held my eye as she poked her pointed tongue into my cunt again and again...”

I agreed and a moment later I was naked with her pussy pressed into my face.

I did my best to reciprocate what she was doing to me and held the redhead by the arse and licked at her pussy as she licked at mine. It felt so surreal to be doing this with another girl, but I did my best to keep up the pretence and pumped fingers in and out of her cunt as she bucked about on my face.

The redhead certainly seemed to know what she was doing and pampered my pussy to perfection, but I just couldn't bring myself to climax under these uncomfortable circumstances. The redhead had no such qualms through and gushed all over my mouth after just a few minutes of lashing her bulbous clit with my tongue.

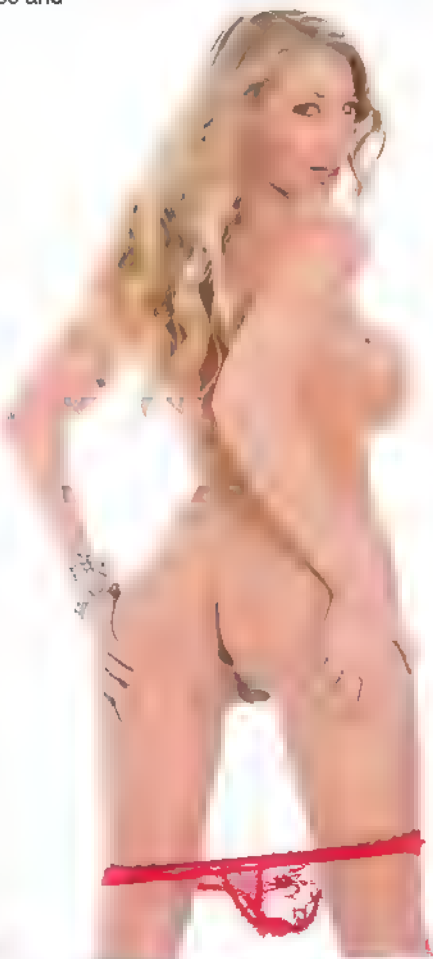

She climbed off of me and thanked me for a wonderful time, but was then immediately replaced by another naked body. I breathed a sigh of relief when I saw that it was Jill and I asked her how we were going to get out of here. Jill leaned in close and gave me a little kiss. Her face smelt of pussy and she darted inside my mouth and touched my tongue with hers.

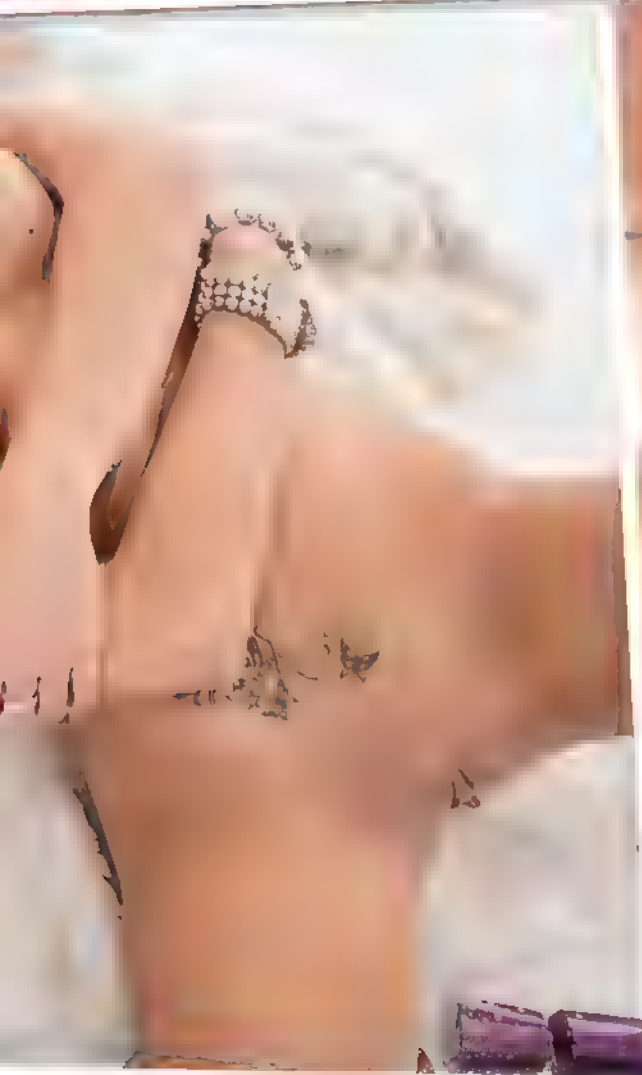

“Let's stay a little while longer,” she suggested a bit oddly, then slid down my body and clamped her mouth over my cunt. Jill plunged her tongue deep inside me and lapped away at my soft pink walls as she stroked my thighs with her hands and I juiced all over her face. Having my friend do this felt so much dirtier than having the redhead do it and I gasped as tingles shot all through my body. Jill held my eye as she

poked her pointed tongue into my cunt again and again and I cradled the back of her head and stroked my pussy all over her mouth.

My friend, who I'd known for ten years, lapped enthusiastically at my slot until her nose and face were covered in my secretions and I suddenly knew this was for real. Jill may have started out just pretending but now I could tell from her wanton expression that she was now as horny and as up-for-it as everyone around us. And this turned me on in ways I'd never imagined before. I stretched open my legs as wide as they would go, resting my feet on the backs of other girls around us, and when Jill began rimming my arsehole I practically screamed the room down as an almighty filthy orgasm ripped through my body, leaving me sweaty, breathless and palpitating.

That was the start of the most amazing evening of my life! Since then Jill and I have become much more than friends, and we're keeping an eye on the website to see when the next special party might be! — *Andi, Edinburgh.*

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

ANAL ANGIE

My last girlfriend was a lovely girl but very straight-laced. You know the sort of thing; lights off, lie back and shag. I liked her and everything but our sex life was just boring and no matter what I suggested, she'd just accuse me of being a pervert. Anyway, we split up and I missed her for a while until I met Angie.

Angie turned out to be completely different in that here was a girl who was really into sex. In fact it was a little unnerving to be with someone who was so hot for it after so long with someone so cold.

"Come back to my place and you're gonna get it," Angie told me at the end of our first date and she even sucked my cock in the mini-cab on the way back. I tried to stop her and whispered that the driver could see her but she just pulled my prick from between her lips and said, "Good!". She then wanked me really hard into her open mouth, looking the cab driver straight in the eyes via the mirror and I couldn't help but fire a big glob of cum all over her tongue. Angie finished licking it all up just as we pulled up at her place and we climbed out and sent the poor driver off with a big tip. How we didn't crash on the way home is anyone's idea.

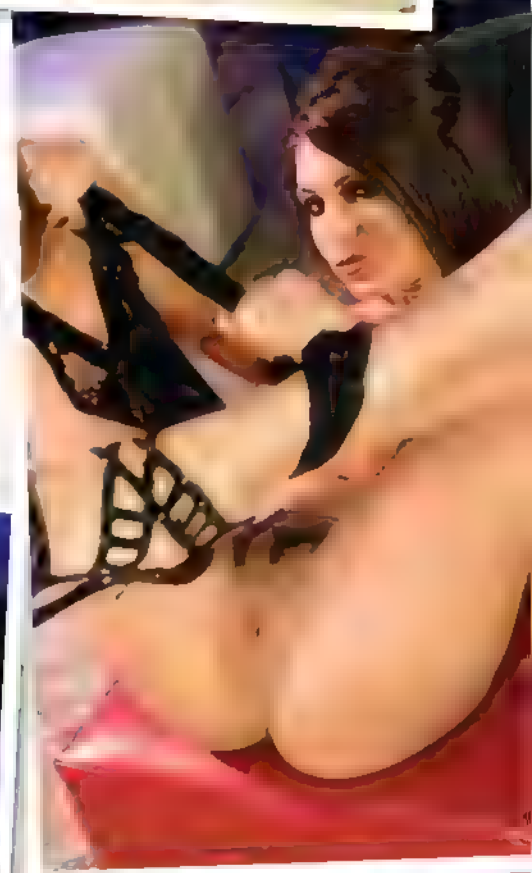

We got up to her apartment and as soon as we had the door closed Angie went for me big time. I protested that I

needed a little recovery time so Angie said she'd put on a little show for me to speed things along. We went though to her bedroom and she stripped off and lay on the bed. She had the cutest little body I'd ever seen and a beautifully smooth shaven cunt. She lay with her legs open towards me and danced her fingers all over her pussy before sliding them inside and frigging herself off in front of me. The room was filled with the smell of sex and pretty soon I began to rediscover my hard-on.

Angie then plucked a vibrator out of her bedside drawer and fucked herself with it while telling me how much she wanted to feel my cock inside her.

"Or would you rather put it here," she smiled

"His cock felt gigantic inside my virgin arsehole, but I swallowed it up..."

and slipped the vibrator into her arsehole. I couldn't believe my eyes as she sunk the smooth missile deep into her backdoor, all the time looking at me and cooing with pleasure. This did it for me, I was hard again in a matter of seconds and jumping up onto the bed.

I took hold of the vibrator in her arse and fucked her with it for several strokes as she fondled my cock. It was such a turn-on watching her reactions as I pumped it into her at different speeds and I found she like it best

when I did it hard.

"Stick your cock in my arse," she told me, and turned over onto her front. I lay in between her legs and rested my cock in her groove. Angie ground back against my meat and moaned excitedly. "There's some baby oil in that drawer," she said, so I pulled out the bottle and poured some directly onto her arsehole. Angie yelped as the cold oil hit her bum but my fingers soon warmed it up as I worked it into her anus and all up between her cheeks until she was lovely and slippery.

I steered my cock in between her cheeks

and my fat bell-end slipped into her hole with ease. Angie loved the feeling of my shaft sliding into her behind and she cried out as she pushed back against me until she had my whole cock inside her.

"Oh fuck, yeah," she moaned and she slowly pumped back and forwards on my rock hard cock, milking me with her arsehole. "You like fucking me in the arse?" she asked me and I told her I did. "Good, because I fucking love it," she replied and started bashing back against me, taking as much as she could, as hard as she could and wailing out loud.

It was the dirtiest thing I'd ever known and her ring felt wonderfully tight. I held her bum-cheeks apart and ploughed my cock into her colon as deep as it could go, loving her tight warmth around my root. Angie relaxed as I thrust inside and clenched as I withdrew so that she was constantly pulling at my prick with her lovely little arsehole and this had me losing my load in next to no time. As soon as I felt my dick start to twitch I pulled out and splashed my sticky jizz all over her gaping arsehole. Angie stayed in that position and brought herself off with her fingers in front of me as my spunk dribble down over her pink

I steered my cock in between her cheeks and my fat bell-end slipped into her hole with ease."

cunt.

I never realised sex could be this great and it's all thanks to Angie. I never realized what I was missing until I met her.

Howard, Newcastle.

A TAIL & TWO DICKIES

My friend wrote into Club International a little while ago when she lost her anal-virginity and I was so impressed when she showed me you'd printed her story that I had to go for it myself.

I'm at University at the moment and loving every minute of it. I don't want to get tied down with a boyfriend because I'm enjoying life too much, so I had to find someone I trusted who was willing to fuck me in the arse (any takers?). In the end I thought of Scott. We'd had a little in my first year and we were still good friends, so I called him up and told him what I wanted. Scott was reluctant at first, because he now had a girlfriend and he was "very much in love" but I told him he shouldn't turn his nose up at a free lunch.

"Emma will never know. Just come round and fuck me in the arse, I'm dying to see how it feels," I begged him. In the end he agreed and told me he'd be over in 20 minutes. I was so excited that I masturbated while I waited and sprang from the sofa when the doorbell rang. I opened the door wearing all my sexiest little panties and was about to drag him inside when I saw, to my total surprise, that it wasn't Scott at all. It was his flatmate, Greg.

"Sorry, Scott's not coming. He said he would just to fob you off and sent me over instead. Will I do?"

I was deeply hurt by Scott's snub and should've slammed the door in Greg's face (I don't do anyone's seconds) but I was so ready and looking forward to having a cock in my arse that I would've let anyone fuck me at that moment.

"Get in here and just sort me out then," I said, dragging him in by the hand. Greg tried to kiss me but I pulled away. "You can fuck me, but no kissing," I told him. Greg agreed and followed me through to the bedroom and stripped.

I was excited at how raw and impersonal this felt and slipped out of my knickers, climbed up onto the bed and bent over.

Greg was naked and hard behind me. He stuffed his face between my buttocks and licked all around my pussy before tracing his tongue up to my bumhole. It tickled at first but felt unbelievably dirty and I loved it when he

poked the tip inside me and tongue-fucked my ring.

I pulled at his stiff cock, turning myself on the more I played with it, but not daunted at all by his size. He had a nice big dick, but as far as I was concerned, the bigger the better. I smeared baby oil all over the length of his pole, then handed him the bottle and told him to do the same with my ring.

Greg poured it directly onto my arsehole and mashed it in with his long fingers. I gasped each time he penetrated me and gyrated my hips as he fingered my bum.

"You filthy bastard," I moaned, jerking his oily prick back harder and harder. "Get your cock inside me now."

Greg got to his knees and rubbed his slippery shaft against my quivering arsehole. He angled his dick down then pushed inside. My taut ring held him at bay for a couple of seconds, then yielded as he applied more pressure.

I screamed as he entered me but told him to keep on going when he paused.

His cock felt gigantic inside my virgin arsehole, but I swallowed it up, all seven meaty inches of it. Once he was all the way inside, Greg held me by the hips and gently rocked his cock backwards and forwards between my cheeks. I gradually got used to the feel of it and even found myself sighing with contentment as my arse was fucked off.

Greg fingered my pussy as he fucked my arse and the two-hole combination rocked my womb and resulted in the most fantastically-heady orgasm of my life.

I've had great sex before, but this had to go down as the filthiest of my life for sheer dispassionate, animalistic fucking. I moaned as I came and thrust back against Greg, urging him to do the same and finally he pulled his cock from me and sprayed a monster

load of spunk all over my gaping arsehole.

It was so satisfying and I asked Greg to stay and do it again, but he pulled his pants up and insisted he had to run. I couldn't understand why he was in such a hurry but five minutes after he'd gone, Scott turned up and told me he was ready to get it on.

"What do you mean?" I asked.

"You phoned and said you wanted to try anal," he explained.

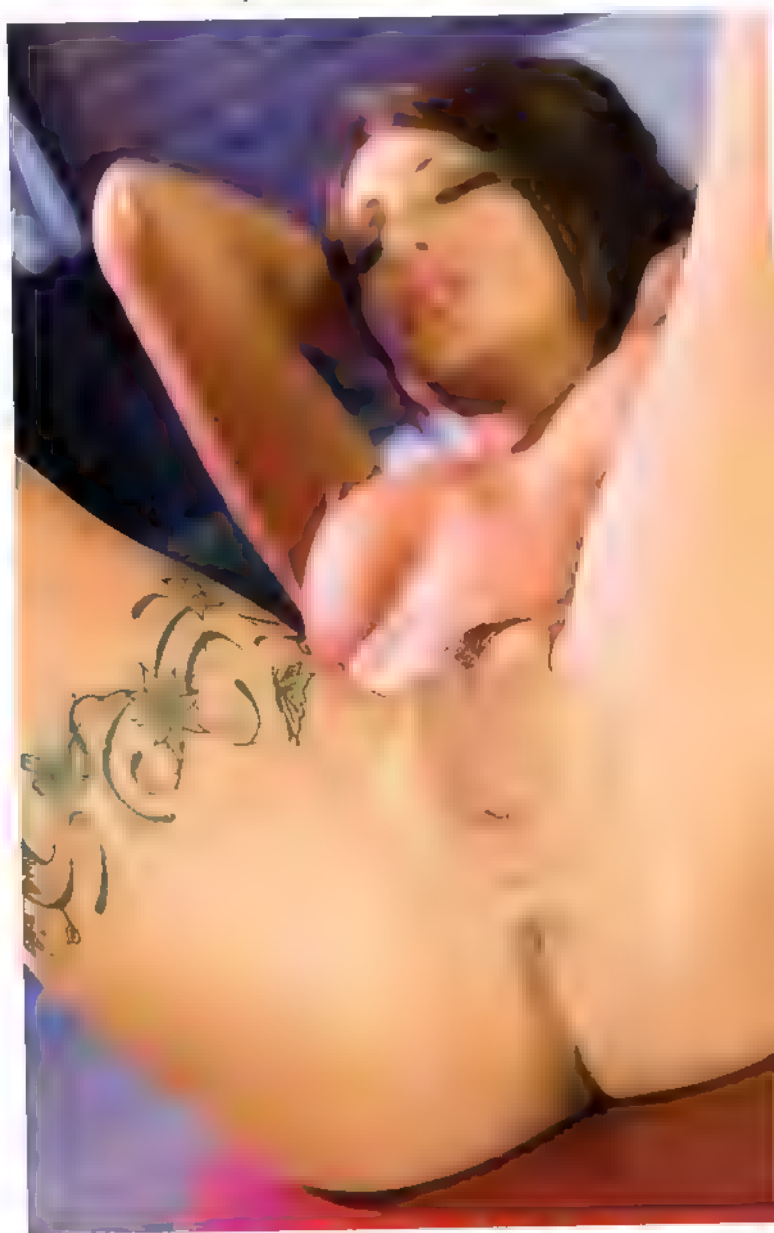

"That was over an hour ago," I said.

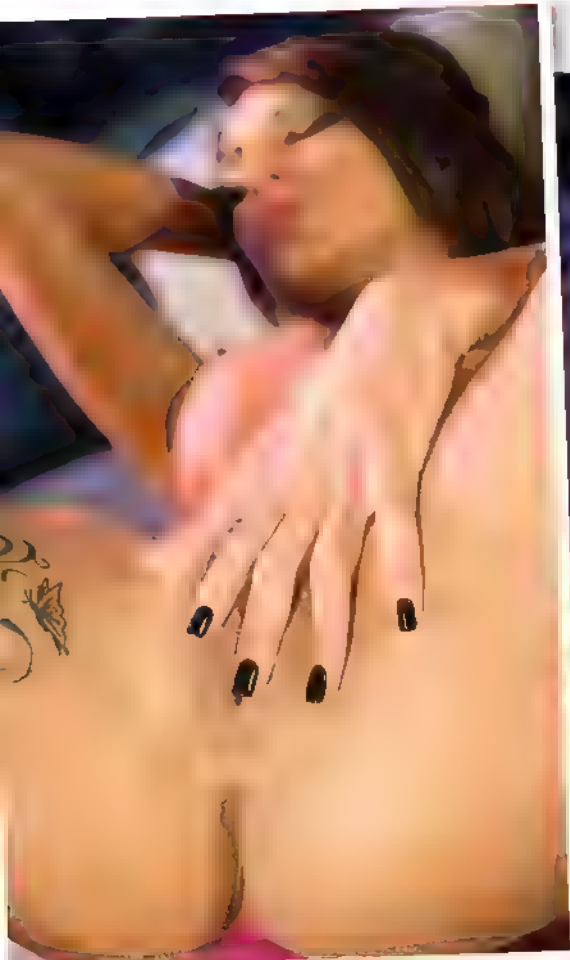

"Yeah, Greg told me you'd rang again to tell me not to come over till nine. Well, it's nine now."

That dirty bastard, I smiled to myself. He was always listening in on our conversations on the bedroom extension. I couldn't help but admire his sheer bare-faced cheek.

"What's up? Don't you want me to fuck you in the arse any more?" Scott asked. I led him into the bedroom and told him I certainly did – more than ever, in fact.

[illegible]

If you think pink's for ponces then you'd best forget all about Kate Anne. She's absolutely obsessed with the colour. "It reminds me of when I was a little girl," she explains. "When I was simple, pure and innocent. God, that was a long time ago!" As you can see, Kate grew up to be a very naughty little minx, given to "extremely hot sex and turning men on in any way I can," apparently. No doubt she doesn't have a whole lot of trouble doing that, given her long legs, lush lady bumps, simply outstanding arse and pussy to die for. What bloke wouldn't be suffering from a severe stiffening in the trouser department?

What our well-placed moles are telling us this month...

DOWN THE WIRE

TIDES OUT!

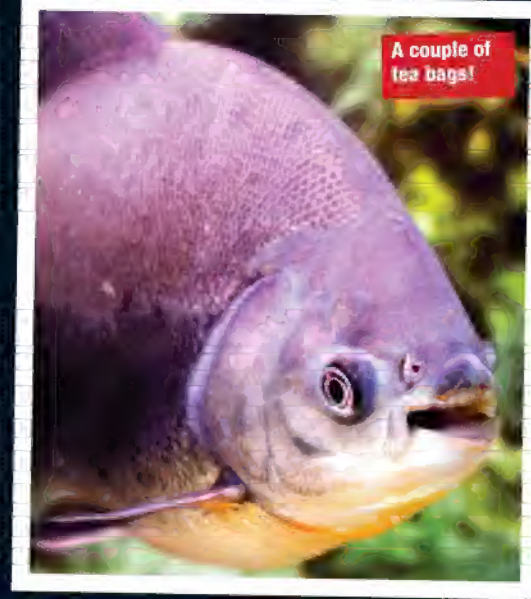

A white male tried to make a swim for it after Police approached the suspect in connection with a felony warrant, alleging narcotics violations. Instead, the shirtless man fled into the nearby chilly water and proceeded to swim along the shoreline for 2.5 miles. The Police bided their time

and waited for the big feller to wear himself out before bringing him ashore, seven hours later. He received treatment for hypothermia, and the Coronado Police department had a good chuckle as they padded out his charge sheet with a host of offences.

Nibbling Nuts!

Fishermen discovered the Pacu fish in Scandinavian waters earlier this year, causing a warning to be issued to skinny-dipping swimmers. This

vicious toothed relative of the piranha, known for its powerful jaw and fondness for nibbling your knackers, appears to be heading west. A local fisherman in Paris was surprised to find this rare catch in his haul; let's just hope they don't start hopping over the channel.

Horn's Up!

One Chicago man should have just left his name, and address at the store, so distinctive was his tattoo. Brian Lykins and Emil Niemi, both 27, are charged with the aggravated robbery of a Dunkin Donuts and a

convenience store. The pair were nabbed by officers who spotted the black Mazda described leaving the scene of both robberies. After conducting a traffic stop, police were quickly able to identify the suspects from the distinctive horn tattoo's adorning Lykins' forehead.
